

VITAMEN

THE SECRET TO MATURE LIVING

Mature living... the secret is VitaMen, the supplement that re-writes the rules about aging. Just because you're gaining experience doesn't mean you have to lose your edge. Stay sharp with the best male stamina and prostate health product on the market: VitaMen!

VitaMen features the powerful antioxidant Lycopene, Saw Palmetto, and Pygeum Africanum, long acknowledged for delivering natural prostate support.* The recent scientific focus on prostate protection has led to breakthrough discoveries like Pumpkin Seed extract, which—like our standardised Pygeum Africanum—includes the beta sitosterol, the recent focus of important studies.*

VitaMen also includes chrysanthemum, zinc, selenium, Vitamin E, Reishi (sometimes referred to as the "mushrooms of immortality") and Ginseng. It also packs prostate-friendly amino acids like L-alanine, L-glutamic acid and Glycine.* VitaMen is also supercharged by the addition of EnZact 77k™, our exclusive enzymatic activation and delivery system.
