

VITAMUNE®

100% PURE DEFENSE

The immune system is your body's first line of defense. Support it with VitaMune®, a remarkable product from Vitamark that combines the patented Immuno-Peptide™ found in the natural immune structure of sharks with 100% pure shark cartilage to provide a dietary supplement that will help unlock your own natural defense system.* VitaMune® offers a natural approach to immune system support of T-cell and macrophage activity*—and it contains no chemicals or additives. Let VitaMune™ be the beginning of your protection. VitaMune® is a special shark cartilage product that contains Immuno-Peptide™, a patented peptide found interlocked within the complex matrix hidden in the natural immune structure of the shark. VitaMune's shark cartilage comes from deep water sharks that have been harvested for food purposes. Combine this potent form of cartilage which is rich in naturally occurring nutritional compounds with increased amounts of the Immuno-Peptide™, and you have the ultimate protection.
